Pursuant to 37 CFR §1.137(a) and in response to a telephone call from Examiner Jeffrey Shapiro concerning the abandonment of this application, the applicants hereby petition to revive the abandoned application. The application was abandoned for failure to timely respond to the Office Action dated July 19, 2001. Applicant, however, submits that any delay was unavoidable due to the procedures used by the US Patent Office and/or the US Postal Service to screen and sanitize mail sent to the Office in wake of the terrorist activities during the fall of 2001. The applicant, in fact, filed a timely response on October 19, 2001 as evidenced by the attached copies of:

1. the Amendment dated 19 October 2001 and signed by the attorney of record;

4. the Declaration of Dale Hansen.

Based on the foregoing evidence which the undersigned certifies are true copies of the documents in the application file, applicant submits that any delay was unavoidable since applicant did not have any opportunity to respond to the Patent Office's requirements within the set time period. Therefore, applicant requests that the abandonment be withdrawn and that the enclosed Amendment be accepted as a response to the Office Action mailed July 19, 2001.

Please charge Deposit Account No. 06-1050 the amount of \$110.00 to cover the fee for this petition. However, in view of the fact that the originally filed Amendment was filed within the time period set forth in the Action, the applicants request a refund of the petition fee.
